

## CONDENSED CONSIDERATIONS FOR VIDEO ANALYSIS OF THE 2018/19 FIFA FUTURO TEACHING MATERIAL – DISCUSSION CLIPS

### Challenges

- Protect the safety of the players
- Careless, reckless, or excessive force
- Speed / Intensity / Point of Contact
- Foot on the ground
- Illegal use of the arms
- Challenge for the ball / Possible to play the ball
- Clear action or grey zone
- Teamwork: Opinion / Decision / Confirmation

### Penalty Area Incidents

- Angle of view
- Proximity
- Obvious simulation = 100% no contact by the opponent
- Initiating or exaggerating the contact
- Teamwork: Opinion / Decision / Confirmation

### Tactical Fouls

- SPA / DOGSO
- Considerations:
  - Control of the ball / Clear possibility to control
  - Defenders / Attackers: number and location
  - Distance to the goal
  - Direction of play
- DOGSO: All conditions must be present for an obvious goal-scoring opportunity
- Inside the penalty area: **attempt to play the ball**
- Teamwork: Opinion / Decision / Confirmation

### Handball

- Natural or unnatural
- Hands on the body / Additional movement
- Deliberate action

### **Handball (Cont.)**

- Taking a risk / Making the body bigger
- Promising attack / Disciplinary sanction
- Teamwork: Opinion / Decision / Confirmation

### **Reading the Game – Advantage**

- Football understanding
- Location and severity of the incident
- Demands of the match
- Understanding what players prefer
- Flexibility
- Wait and see / Signal
- Teamwork
- Flow / Control

### **Reading the Game – Anticipation**

- Football understanding / Systems of play
- Correct reading
- Penalty area: main priority
- Direct play vs possession
- Types of pressure: Low / Medium / High
- Change of possession
- Next step
- Proximity / Angle of vision
- Reading the player's body language / Blocks of players

### **Reading the game – Set Pieces**

- Football understanding
- Planning and preparation
- Defensive and offensive tactics
- Prevention / Alertness
- Reading players' body language / Block of players
- Next step / Counterattacks
- Priorities of control
- Teamwork

### **Reading the game – Counterattacks**

- Football understanding
- Adapting to the demands of the match
- Anticipation
- Reaction / Speed / Sprint ability
- Penalty area incidents
- Proximity / Angle of view
- Teamwork

### **Reading the game – Penalty Area**

- Main priority = Penalty Area
- Proximity and angle of view
- See small details
- Anticipation
- Explosive movement / Reaction
- Teamwork / Responsibilities

### **Reading the game – Assistant Referees**

- Football understanding
- Anticipation
- Priority of control: Law 11 vs Law 12
- Goal line / Touchline / Penalty Area
- Reaction, speed, and explosive movement
- Concentration on the offside line / Running technique
- Wait and see
- Communication

### **Offside – Interfering with play**

- Is the player in an offside position?
- Play or touch the ball?
- Wait and see

### **Offside – Interfering with an opponent**

- Clearly obstructs the line of vision

### **Offside – Interfering with an opponent (Cont.)**

- Challenging the opponent for the ball / Immediate challenge
- Clear attempt to play the ball
- An obvious action with impact on the opponent's ability to play the ball
- Hindering / Delaying / Preventing defender from playing the ball
- Teamwork

### **Offside – Gaining an advantage**

- Rebound / Save
- Deliberate play
  - Player goes to play the ball = ACTION
  - Options / Can see the ball
  - Control of the body / No matter the outcome
  - Distance / Space
- Deflection
  - The ball goes to the player = REACTION
  - No options / No plan / Cannot see the ball
  - No control of the body
  - Never expect players doing nothing
- Shot on goal = Save
- Interfering with an opponent
